We're following the national health guidance to keep church as safe as it can be. Here are the main areas:

- Keeping apart – making it easy to distance from each other, and sitting in household groups
- Keeping hands clean – using sanitizer as we arrive and leave, and keeping main doors propped open
- Keeping surfaces clean – especially those we touch more often e.g. toilets, door handles
- Keeping air clean – wearing face coverings when standing and moving around
- Keeping away – if we have symptoms, have had a positive lateral flow or PCR test or been told to isolate

For further details, please see below.

Area of Focus	Controls required	Additional information	Action by whom?	Completed – date and name
Preparation of the church for access by members of the public for any permitted purposes, including corporate worship and tourism	<p><i>Choose one point of entry into the church to manage flow of people and indicate this with notices, keeping emergency exits available at all times. Where possible use a different exit.</i></p> <p>(a) External main entrance door into corridor fixed open, except during winter (but hand sanitiser available immediately upon entering). Signs inside: ‘welcome’, ‘please keep 2m apart’, ‘please wear a face covering’.</p> <p>(b) Door from corridor into main room fixed open. Table with sanitiser. Sign: ‘please sanitise your hands before entering’.</p> <p>(c) Use same route out when exiting; no danger because everyone going same way. Table with sanitiser. Sign: ‘please sanitise your hands as you leave’. Doors fixed open.</p> <p>(d) Men’s and women’s external toilet doors fixed open (there are internal doors for privacy) and only one person to use at a time.</p> <p>(e) External vestry door not to be used</p> <p>(f) Church car park and Jazz Club car park currently available to use</p>		Jeremy, Andy F, Andy T	Wed 15 July 2020; Jeremy, Andy F, Andy T
	<p><i>Wearing face coverings</i></p> <p>All are asked to wear face coverings when standing or moving around, but all are free to remove them when seated.</p>			1 Aug 2021
	<p><i>Make any temporary arrangements for people to wait or queue outside the building (taking into account any consequential risks arising from people gathering outside).</i></p> <p>At end of service, congregation directed to leave one pew at a time, whilst maintaining social distancing.</p>		Jeremy, Andy F	
	<p><i>Where possible, doors and windows should be opened temporarily to improve ventilation.</i></p> <p>Doors and windows can be opened for short periods when there is no security risk when wardens/staff are on the premises.</p>	e.g. This can be achieved when setting up church.	Jeremy, Andy F	Weekly: Jeremy, Andy F

<p><i>Remove Bibles/literature/hymn books/leaflets.</i></p> <p>(a) Bibles can still be used; they will self-clean after 48 hours.</p> <p>(b) We won't produce weekly service sheets. Info onscreen and given verbally.</p> <p>(c) We will produce a few word sheets to be picked up, not handed out. Same with service outlines for pre-service meeting.</p> <p>(d) Place offering plate at the rear of church for cash gifts or envelopes. Offerings to be collected by wardens. Encourage safer online giving.</p>		Andy T, Ellie, Andy F, Jeremy	Weekly: Andy T, Ellie, Andy F, Jeremy
<p><i>Cordon off or remove from public access any devotional objects or items (if they are liable to be touched or closely breathed on).</i></p> <p>There are no devotional items that required cordoning off.</p>			
<p><i>Consider if pew cushions/kneelers need to be removed as per government guidance.</i></p> <p>Any kneelers, cushions and pew coverings will not be used more than once per 48 hours, and so will self-clean.</p>	Church practice is generally not to use kneelers.		
<p><i>Remove or isolate children's resources and play areas.</i></p> <p>Soft toys etc in parent and child room removed. Parents alerted to bring own toys. Bags of easy-wipe hard toys available for parents who don't bring their own; these are left for 48 hours after service, so self-clean.</p>		Becky F	End Feb 2021: Becky F
<p><i>Walk through the church to plan for physical distancing in seats, aisles, at the communion rail, including safe flow of visitors. Remember 2m in all directions from each person (or 1m with risk mitigation if absolutely necessary).</i></p> <p>(a) Entering and exiting as above</p> <p>(b) Alternate pews marked with green ticks. Ensures almost 2m distancing front-to-back (1.65 – 1.85m), but with risk mitigation (singing with face coverings, all facing one way). If people sit a little to the side instead of directly in front of someone, 2m is achieved. Marking alternate pews also ensures 2m distancing sideways across aisles.</p> <p>(c) Welcomers will be alert to any made uncomfortable by others sitting too close. Pews in central blocks can accommodate two individuals/households/bubbles; pews in side blocks can accommodate one individual/household/bubble.</p> <p>(d) Welcomers to direct families to front pews for all-age services where possible.</p> <p>(e) See below about communion.</p>		Jeremy, Andy F, Andy T	1 Sep 2021: Jeremy, Andy F, Andy T. Weekly: welcomers

<p><i>Clearly mark out seating areas including exclusion zones to maintain distancing.</i> As above.</p>		Andy T, Becky F, Ali	13 July 2020: Andy T, Becky F, Ali
<p><i>Clearly mark out flow of movement for people entering and leaving the building to maintain physical distancing requirements.</i> With entry and exit provisions (above), this happens naturally. The vestry is now too small for the pre-service meeting, given social distancing. Hold it around communion table, everyone 2m apart.</p>		Andy T	15 July 2020: Andy T
<p><i>Limit access to places where the public does not need go, maybe with a temporary cordon if needed.</i> Doors of any unused rooms to remain locked.</p>		Jeremy, Andy F	15 July 2020: Jeremy, Andy F
<p><i>Determine placement of hand sanitisers available for visitors to use.</i> Hand sanitisers to be placed at door between corridor and main room. See below regarding communion.</p>		Andy F	
<p><i>Music and singing</i> Corporate singing and corporate responses while standing and wearing face coverings. No background music loud enough to make people raise voices in conversation. Multiple musicians including wind instruments possible if in same household, or 2m away, or 1m divided by transparent screen. More than one singer if essential, but limit it to as few as possible. Musicians all face same direction. One person doing both laptop and sound desk (because 2m apart not possible).</p>		Mark	1 Sep 2021: Mark
<p><i>Vulnerable members serving upfront</i> We have one leader who is over 70, who is happy to continue serving upfront.</p>			
<p><i>Determine if temporary changes are needed to the building to facilitate social distancing.</i> These are not considered required.</p>			
<p><i>Put up notices to remind visitors about important safe practices e.g. no physical contact, practice hand washing etc.</i> See signs mentioned above.</p>			
<p><i>Ensure high-risk surfaces and touch points have been wiped with appropriate sanitiser spray or disposable wipes.</i></p>			

	Main room normally in use less frequently than every 48 hours, so self-cleans. But see below about cleaning.			
	<p><i>Check that handwashing and toilet facilities have adequate soap provision and paper towels, and a bin for the paper towels.</i></p> <p>Supply of paper towels are available with bins provided in toilets. Electric hand-dryers to be turned off in toilets (because touch on and off).</p>		Jeremy, Andy F, Ellie	Weekly: Jeremy, Andy F, Ellie
	<p><i>Ensure all waste receptacles have disposable liners (e.g. polythene bin bags) to reduce the risk to those responsible for removing them.</i></p> <p>Toilet bins currently use liners.</p>			
	<p><i>Provide safe means for worshippers and visitors to record their name and contact details for NHS Test and Trace using the QR code displayed and the St Mary's directory sheet.</i></p> <p>Names of congregation to be ticked off on sheet by welcomers, held in vestry for 21 days, then shredded by wardens. Newcomers' details to be asked for as usual, then name added to above list.</p>		Welcomers, Jeremy, Andy F	Weekly: Welcomers, Jeremy, Andy F
	<p><i>If anyone becomes unwell with symptoms of COVID-19 whilst in our building (a new, continuous cough or a high temperature or loss of or change to sense of smell or taste).</i></p> <p>They should go home immediately and look at NHS 111 online (or call 111). People who have been in contact need only wash their hands thoroughly, unless they develop symptoms themselves.</p>			
	<p><i>If the church building has been closed for 48 hours between periods of being open then there is no need for extra cleaning to remove the virus from surfaces.</i></p> <p>This is the case for half the week (and all the week during lockdown). See below about cleaning.</p> <p><i>If 48-hour closure is not possible then check all cleaners are not in a vulnerable group or self-isolating.</i></p> <p>We will. See below about cleaning.</p>			
	<p><i>Set up a cleaning rota to cover your opening arrangements.</i></p> <p>Churchwardens to check over building before opening and check for cleanliness. Weekly cleaning as usual on Wednesday. See below for activities on Sun-Wed.</p>		Jeremy, Andy F	15 July 2020 then weekly: Jeremy, Andy F; people on cleaning rota;

Children's work	<i>4-11s group in large hall</i> Measures taken to allow children socially distance themselves during the children's group in the large hall if they wish to by making use of the space of the hall effectively and encouraging them to be spaced out during the sessions. Children will also sanitise their hands like everyone else when entering and exiting the building and will sanitise their hand on entrance and exit of the children's groups. Leaders to wear masks if they wish to and encouraged to where distancing is not possible		Becky F and co-leaders	1 Oct 21, then weekly: Becky F and co-leaders
	<i>0-4s group in small hall</i> There are no expectations for under 4s to socially distance. Parents/Leaders encouraged to wear a mask if they wish to where distancing is not possible. Toys are not used for 48 hours after the group.		Becky F	1 Oct 21: Becky F
	<i>Parent and child room</i> Only one family at a time can be in there because of limited space (a sign has been put up).			Becky F
Communion	<i>Measures taken to ensure social distancing and safety.</i> (a) Welcomer who prepares table will sanitise hands beforehand. Divide bread up in advance as usual. Wine and bread left covered. (b) No saying of 'the peace' with shaking hands. (c) Minister sanitises hands before liturgy. He can speak near bread and wine because covered. The bread he breaks is only for him to eat. The words 'The body and blood of Christ keep you in eternal life', 'Amen' are said corporately before distribution, rather than individually during distribution.		Andy T, Andy F, Jeremy, welcomers	Andy T, Andy F, Jeremy, welcomers – on weeks we have communion

	<p>(d) First welcomer to direct people to come one block of pews at a time, and one row at a time, and to queue 2m apart. Approach using central aisle. Return using side aisles.</p> <p>(e) Table with sanitiser at front. Sign: 'Please sanitise your hands'. Each church member stands in front of minister. Minister wears face covering. Both hold hands outstretched. Bread is dipped in wine then dropped into church members' hands in silence.</p> <p>(f) If the minister accidentally touches a church member's hand, both must sanitise their hands immediately.</p> <p>(g) The cup and plate will be washed and put away as normal. It won't then be touched for at least 48 hours.</p>			
Baptisms	<p><i>Measures taken to ensure social distancing and safety.</i></p> <p>(a) Parents and godparents wear face coverings at front of church, and distance from each other (depending on household groups)</p> <p>(b) During baptism itself, parent or carer holds child, minister wears face covering and pours water from bowl</p>		Andy T	4 Oct 2020, Andy T
Cleaning the church before and after general use (no known exposure to anyone with Coronavirus symptoms) Advice on cleaning church buildings can be found here.	<p><i>Suitable cleaning materials provided, depending on materials and if historic surfaces are to be cleaned.</i></p> <p>Suitable cleaning materials are available including disposable anti-septic wipes.</p>			
	<p><i>Confirm person responsible for removing potentially contaminated waste (e.g. hand towels) from the site.</i></p> <p>Waste bins to be emptied into single black bin bag weekly.</p>		Ellie, and people on cleaning rota	Weekly: Ellie, and people on cleaning rota
	<p><i>Confirm the frequency for removing potentially contaminated waste (e.g. hand towels) from the site – suggested daily removal.</i></p> <p>Weekly – this is safe given the frequency with which the building is used.</p>		Jeremy	15 July 2020: Jeremy
	<p><i>If 48-hour closure is not possible then follow Public Health England guidance on cleaning in non-healthcare settings.</i></p> <p>We will do this when necessary (see below for activities). Following PHE guidance, we will use standard cleaning products such as detergents and bleach, paying attention to all surfaces but especially ones that are touched frequently, such as door handles, light switches, and work surfaces.</p>	Public Health England guidance available here.		Wardens or leaders as appropriate (see below), weekly
